---

Mumbai, July 26, 2017

Aventus Wealth Management inaugurated its first operational office in Banjara Hills, Hyderabad. This branch will be principally focused for the wealth management business. The office is well placed to offer access to other services such as Investment Banking, Alternative Asset Management and Structured Credit Solutions.

The company has strategically decided Hyderabad as a location for its expansion, as the city is emerging to become a hub of entrepreneurs and startups. There are multiple startup committees and entrepreneurial organizations in the city of Nizams, to abet the ecosystem of growth. Aventus's move to the city is to leverage this potential of the city and give access to these entrepreneurs and start-ups to the Aventus franchise as a comprehensive financial services player.

Aventus Wealth Management Pvt Ltd was started in 2010. It is spread across six cities in India, including Hyderabad and the US. The company has doubled its headcount in the last two years. The business extends a variety of solutions such as Bonds, Equities, Alternates and Real Estate. The services also include family office practice and treasury solutions. Aventus's superior access to mid-market entrepreneurs opens exciting opportunities for its clients which would generally not be available elsewhere.

Commenting on the new opening, **George Mitra, Chief Executive Officer at Aventus Wealth Management** said, "We are delighted to announce the opening of our first office in Hyderabad. The city is abuzz with the spirit of entrepreneurship which is a good ground for us to build a thriving ecosystem of growth. We will continue to focus on strengthening long term relationships and a powerful suite of solutions to offer better services to our clients."
